Designing a Visually appealing certificate for a debate competition

Project Report Template

Introduction

Overview :

      The term is also used for a particular formal style of debate in a competitive context. Two teams of two compete through six rounds of argument,giving persuasive speeches on a particular topic.

Purpose :

      Debate participation promotes problem solving and innovative thinking, and helps students to build links between words and ideas that make concepts more meaning full.

Promblems Definition And Design Thinking

Empathy Map:

They are designed to capture the needs and perspective of a specific audience but may not capture the needs and perspective of other stakeholders.

Brainstorming Map:

Can take too much time if the group is not properly controlled and is allowed to run for too long.

Empathy Map

Brainstorming Map

Result:

Advantages And Disadvantages

Advantages:

- It sharpens your ability and analyze problems
